Puzzle: _ _ _ _ _ _ _ _ _ _

How to Play:

- 1) Get close to the cache using the provided coordinates.
- 2) Use the clue to get really close to the hidden cache.
- 3) The cache is a QR code token. The token is attached with a magnet. Scan the QR code and record the response you get.
- 4) Solve the puzzle.

Hints:

- 1) Caches are not hidden on private property.
- 2) You do not have to climb through flower beds, etc. to find a cache.
- 3) Remember to put the cache back where you found it. You must put it back on the magnetic base.
- 4) You will need a cell phone with data to do this course.
